Master's in Music Education

University of Missouri - Kansas City
Bachelor's in Music Education

Patrick Keller is an educator and the host of the Big Séance Podcast, which is a forum for “paranerds” to have an open dialogue about all things paranormal. He has been a featured podcaster on Coast to Coast AM with George Noory. Some of Patrick’s notable guests have included Chip Coffey, Loyd Auerbach, Amy Bruni, Adam Berry, Rosemary Ellen Guiley, Troy Taylor, Guy Lyon Playfair, Karen A. Dahlman, and one of the world’s most investigated and celebrated mystifiers, Uri Geller.

He founded the Missouri Spirit Seekers, a paranormal research team, and he has spent a lot of time experimenting with spirit communication tools and techniques, such as EVP (Electronic Voice Phenomena). One of Patrick’s passions is cemetery photography, and spending hours at a time capturing the natural beauty of the cycle of life and death in a place typically stricken with grief.

THE PODCAST

The Big Séance Podcast is an ongoing conversation with cutting-edge leaders and experts who explore all things paranormal, but specifically topics like ghosts and hauntings, paranormal research, spirit communication, psychics and mediums, and life after death. The candles are already lit, so come on in and join the séance!
